

United States

Quotations

“The great thing about the United States and the historically magnetic effect it has had on a lot of people like me is its generosity, to put it simply”.

- Christopher Hitchens

When more Americans prefer freebies to freedom, these great United States will become a fertile ground for tyranny.

- Allen West

Questions

1. What do you know about the history of the United States?
2. Why do so many people want to move to the United States? What does the US offer that many other nations don't?

12. What do you know about slavery in America, the Civil Rights Movement and the riots, past and present.

Presentation

The United States is a relatively young country and has achieved much advancement in a short amount of time. Work in small groups to develop theories on why there has been so much advancement.
